

# Lanequest

## What is a Lanequest

A Lanequest is an orienteering event done on bikes. Each competitor receives a map and control card prior to starting. They can then plot a route to visit as many controls as possible in the duration of the event. The competitor/s with the highest score wins.

## Duration of the Event

The duration of the event is 90 minutes from when the competitor starts, any competitor who is late back will receive penalty points which are deducted from their score.

## Who can enter

Anybody with a road worthy bike and helmet. Anybody under the age of 16 has to be accompanied by a responsible adult.

## What time is the Lanequest

The event will start from 14.00 hours. The last start time will be 15.00 hours. Competitors can register from 13.30 hours this gives them time to study the map before starting.

## How Much does it cost to enter

Entry is free.

## Prizes

Prizes will be given to highest scoring:- Male, Female and Family Team. A Family Team is a team of under 16's with at least One responsible Adult.
